Notes for JOHN MULLINS:

It is somewhat speculative that this John Mullins was the father of John M. Mullins, Sr. But, there is some circumstantial evidence that points in that direction. This John was in the right part of the country, and he had a son named John. Also, there is the history of the name GREEN in later Mullins families, which probably originated with this John marrying Mary Green.

Generation No. 3

3. JOHN M. SR.³ MULLINS (*JOHN*², *THOMAS*¹)^J was born Abt. 1762 in Franklin Co. NC, and died Abt. 1830 in Probably Hall Co. GA. He married NANCY ANN HUBBARD Jan 1785 in Pittsylvania Co. VA², daughter of JOHN HUBBARD. She was born Abt. 1765 in Probably VA, and died Abt. 1835 in Cherokee Co. GA (Now Pickens).

Notes for JOHN M. SR. MULLINS:

A John Mullins was found in the 1790 census of Spartanburg District of South Carolina, page 87. On this same page of the census were also found a John, Emanuel, and a Matthew Mullinax. It is highly probable that this John Mullins was the father of John M. Mullins, Jr. This John, living in the same area, was later listed as John Sr., and in the 1820 census was living beside a John Mullins, Jr. John M. Mullins Jr. later married a Francis A.

Mullinax, a granddaughter of the above John Mullinax, and daughter of William Mullinax. Civil war records of George Ross Mullins, 1st child of John M. Mullins, Jr., states York District SC as his birth place. George Ross Mullins married Mary Elvira Bailey, a granddaughter of Elijah M. Bailey Sr. of York Co. SC, and daughter of Elijah M. Bailey Jr.

The wife of John M. Mullins, Sr. was Nancy Ann Hubbard. A John Mullins and Nancy Hubbard were married Jan 1785 according to Pittsylvania Co. VA court records. A widow with the name of Nancy Ann was living beside John Jr. and Burton Mullins in the 1834 Georgia State Census.

Children listed for John have not been proven, but are high probabilities. It is fairly certain that Burton Mullins was a son of John Sr. and Nancy, as many records listing both John Jr. and Burton have been found in Cherokee Co. Georgia. In 1834, Nancy Ann Mullins gave "for love and affection" land in Cherokee Co. GA to John & Burton Mullins. John immediately sold his land to "pay off debts in Hall Co. GA." A Green B. Mullins, living in Harris Co. GA may have been another son. This is somewhat substantiated by John Jr. naming a son Green D. Mullins.

Lafayette J. Mullins, a grandson of John Sr., filled for application to the Cherokee Indian rolls in 1908 stating that his paternal grandmother was full blood Cherokee and that her maiden name was Nancy Ann Hubbard.

Year: 1820 State: Georgia County: Hall Sheet No: 139
Reel No: M33-6 Division: None Listed Page No: 13
A John Mullins was on line 9 of this census and John Hubbard was on line 10.
A Richard and a James Hubbard were on lines 33 & 34 of the same page.

Notes for NANCY ANN HUBBARD:

The following deed record was found in Cherokee Co. GA that established Nancy Ann as the mother of John M. Mullins, Jr. Nancy was found in the 1834 Georgia State Census listed as a "Widow", with 4 persons in the household. John Mullins was living nearby. Another son, Burton, was also living next to John and Nancy.

332 Book B, Pages 210-211

DEED dated Cherokee County 06-Nov-1834, recorded 17-Oct 1835 from NANCY ANN MULLINS of Cherokee County to JOHN MULLINS of Cherokee County. In consideration of natural love, and affection toward her son, JOHN MULLINS, conveys one undivided equal one-half interest in that tract of land known a Land Lot 308, 14th District, 2nd Section, to take effect and operate at her death and not before. Signed: NANCY ANN MULLINS ("X"). Witness: JOHN WHEELER and MOSES PURKINS. Sworn by JOHN WHEELER before WILLIAM GRISHAM, Notary Public.

A court record exists showing Nancy purchasing the above track of land in 1834. This record states Nancy and Burton both reside in Meriwether Co. Georgia. This county joins Harris County in west central Georgia, and lends credence to Green B. Mullins being another son of Nancy and John Sr.

The other half of the above 160 acres was given to Burton. On 01 DEC 1835, John and Burton divided the 160 acres in half, each taking 80 acres. On that same day, John's half was sold at a sherrif's auction to settle debts owed by John to people in Hall County. This 160 acre track was located in present day Cherokee County, according to the lot description.

Lafayette J. Mullins, grandson of John M. Mullins Sr. and Nancy Ann, reported in a 1908 application for the Cherokee Indian rolls that his paternal grandmother's maiden name was HUBBARD and that she was full blood Cherokee. Heritage Books published "Cherokee By Blood" a "Record of Eastern Cherokee Ancestry in the US Court of Claims (1906-1910)"

In the 1780 tax lists of Pittsylvania Co. VA there was a John Hubbard living close to a John Mullins. This John Hubbard refused to sign the oath of allegiance to the new country, indicating that he probably was Morman making it plausible that Nancy Ann could have been adopted.

4. JOHN M. JR.⁴ MULLINS (*JOHN M. SR.*³, *JOHN*², *THOMAS*¹)³ was born Abt. 1797 in York District, SC, and died Aft. 1870 in Pickens Co, GA. He married FRANCIS (FANNY) A. MULLINAX⁴ Abt. 1819 in York District SC, daughter of WILLIAM MULLINAX and MARTHA ?. She was born Abt. 1799 in South Carolina, and died Abt. 1875 in Pickens Co. Georgia.

Notes for JOHN M. JR. MULLINS:

John Jr., and brother Burton, and possibly other family members migrated to the northern Georgia area (probably Hall County) about 1825 from York District of South Carolina. John Sr. moved into York District from North Carolina or Virginia prior to 1790. Burton married Susan Wilson on 12 Nov 1827 in Hall Co. Georgia, and was living nearby John Jr. in Hall Co. in the 1830 census. John Jr. was listed in the 1834 state census of Cherokee Co., Georgia (10 white persons living in household), living nearby Burton Mullins (two white persons in household), and a Nancy Ann Mullins, widow (four white persons in household). A John M. Mullins was awarded 40 acres in Cherokee Co. by the state of Georgia during the 1835 Georgia Gold Lottery. On 14 Mar 1836, a John M. Mullins served as a juror in the Superior Court of Cherokee Co. Burton Mullins was in the 1840 census of Cherokee Co., page 169. John Jr. may have been in Cobb Co. for the 1840 census, or more probable, was missed by the enumerator in Cherokee Co. In the 1850 census, the Mullins' were in the Marble West Company enumeration district (this area of Georgia has large commercial marble deposits) of Cherokee Co. In 1860 and 1870 they were enumerated in the Jasper Post Office district of Pickens County. Cherokee Co., was formed in 1831, and included all lands north and west of the Chattahoochee River. Pickens Co. was formed in 1853 from Cherokee County as were many other surrounding counties.

Lafayette, a son of John Jr. and Francis, married Martha Jane Cudd on 9 Apr 1861 in Whitfield Co., Georgia. A Marriage record found in the Greenville Mountaineer newspaper shows that Margaret Mullins married a J. D. Powe Esq. of Charleston, South Carolina in 1848 in Greenville, South Carolina. The record indicated that her father, John M. Mullins of Georgia, formerly resided in Greenville. Greenville South Carolina is a few miles west of York Co. SC. In the 1850 census, Margaret was living with her parents in Pickens County GA, and she remained with them through 1870. The last child shown for John and Francis, James F. Mullins, was probably a grandchild, possible son of Margaret. John Jr. has not been found after the 1870 census.

Three of John's children, James P., Green D., and George Ross, and one grandchild, Martin B. (George Ross's son), were on the roster of Col. James G. Brown's 1st Georgia State Troops Volunteers (later in Howards's 1st Georgia U.S. Infantry), and fought for the Union during the Civil War, as did many from extreme northern Georgia. Son, William F. Mullins, was a Captain in the 43rd GA Infantry of the Confederacy.

Notes for FRANCIS (FANNY) A. MULLINAX:

The parents of William Mullinax were John Mullinax and Sarah Donnelly. Sara's parents were a James Donnelly and Martha ?. The Mullinax's, starting with John, apparently came into South Carolina about 1770, probably from Virginia. Several probate, and other, records exist in York County that pertain to these Mullinax.

George and Mary Elvira were in the 1850 census of Cherokee County, Georgia page 450. They were in the Pickens County, Georgia census of 1860, page 953 and on page 36 in the 1870 census. George was on the roster of Col. James G. Brown's 1st Georgia State Troops Volunteers, (later in Company B of Howard's 1st Georgia U.S. Infantry), and fought for the Union during the Civil War as did many from extreme northern Georgia. Other Mullins' listed as fighting for the Union were, James P. and Green D. Mullins, his brothers, and Martin B. Mullins, his son. In the 1870 census, George was shown as age 50 and born in South Carolina. In 1880, George and Mary Elvira were living in the household of Sanford Giffin and Tripan Mullins in Bosque County, Texas. Records of George's death were found in Civil War Veteran Benefit records, with a Dr. R. L. Castleberry of Indianapolis, Indiana testifying that George died of Bright's disease, acute Gastritis of the bowels, and severe constipation in his home 4 miles SW of Ada. OK. Dr. Castleberry was a former resident of Ada. Also, George may have been living with his son in law and daughter Samuel and Nancy Elizabeth Tatum when he died. They were recorded as living 4 miles SW of Ada in 1910.

George Ross applied for Civil War Union veteran benefits on 09 Apr 1892, Application No. 1113702, Certificate No. 883947, filing from Indian Territory. Mary Elvira applied for widow benefits on 23 Jan 1897, Application No. 648005, with no certificate number shown.

Attorney P. O. Farrell was shown on the veterans record for Mary Elvira's application. The date of death for George was obtained from these Veteran benefit records.

Many affidavits swearing to the person of George Ross were obtained during his application for Veteran benefits. They were: 1) 7 Nov 1892 stated that he was a resident of Wilson, Chickasaw Nation. 2) 26 Sep 1894 stating that he was a resident of Overbrook, County of Pickens, Chickasaw Nation. 3) M. B. Mullins, a resident of Marietta, County of Pickens, Indian Terr., postoffice of Overbrook, testified 26 Sep 1894. 4) 10 Nov 1894 sworn to by J. C. Holt, age 32, and G. A. Holt, age 43, both of Marietta. 5) 26 Sep 1894 by T. V. B. Mullinax (male) of Overbrook, and M. B. Mullin of Marietta. T. V. B. Mullinax was a grandson of Isaac Mullinax, who was a brother of Francis "Fannie" (Mullinax) Mullins, who married George's father.

Lafayette J. Mullins, a brother to George, filled for application to the Cherokee Indian rolls in 1908 stating that his paternal grandmother was full blood Cherokee and that her maiden name was Hubbard (now known to be Nancy Ann Hubbard). Her marriage to John M. Mullins (Sr.) was recorded in Pittsylvania Co. VA in 1785. This would make George 1/4 Cherokee.

Notes for MARY ELVIRA "VERA" BAILEY:

In the 1900 census of the Chickasaw Nation, Indian Territory, Oklahoma, Mary Elvira was living in the household of Lindsey Carr Mullins, her grandson. Her age was shown as 81, and her status was "Widow", and she was shown as having had 4 children, with 3 still living. In this census, Lindsey was living in Township 4 north, Range 8 East. This location would be in Pontotoc County, Oklahoma, and would be 3-4 miles southwest of Allen, Oklahoma in far northeast Pontotoc County. Mary's maiden name of Bailey was obtained from Veteran Widow Benefit records. Affidavits testifying to Mary's person for her Widow benefit applications were sworn to by: 1) J. W. Wooten of Ada (having known her for 45 years) and J. W. Long of Center IT., 26 Apr 1897. 2) 26 Apr 1897 appoints U. G. Winn of Center, IT as her attorney. 3) 12 Jun 1899 by J. C. Holt of Marietta, IT stating that he had known George and Mary Mullins for 32 years.

Mary Elvira was a daughter of Elisha M. Bailey who was in the Cherokee Co. Georgia census for year 1840. The official at their marriage, James Knox, was a brother to William Knox who married Agnes bailey, another daughter of Elisha. The Mullins and William Knox's lived within a few doors of each other during the 1850 and 1860 census. A letter from William and Agnes Knox, dated 19 May 1846, to relatives back in North Carolina refers to a "Vera" Mullins as being kin. The text of the letter was: "Our connections in this section are all in common health. B.D. Coward is complaining of a misery in his back--a kidney complaint. Vera Mullins still keeps upon foot but very listly and complains very much but it's a common thing with all women in her condition to be helpless." The letter is probably refering to Mary Elvira's pregnancy with Martin B. Mullins who was born in May of that year.

She married SAMUEL TATUM¹⁰ 14 May 1857 in Marriage Book "D" Cherokee GA. He was born Abt. 1838 in GA, and died 07 Mar 1915 in Pontotoc Co. OK.

Notes for NANCY ELIZABETH MULLINS:

Samuel and Nancy Elizabeth were found in the 1910 census of Pontotoc Co. OK, Chickasaw Township. Samuel was shown as 72 years old and Nancy 70. Nancy stated that she had had 11 children and that 10 were still living. There was a Sam A. Tatum, age 31, with wife, Mary, living nearby. Nancy stated in this census that both her parents were born in North Carolina.

According to a deposition that Samuel and Nancy had given in 1910 stating that they knew Martin B. Mullins, Samuel and Nancy were living 4-1/2 miles SW of Ada, OK. When her father, George Ross mullins died in 1896, it was stated by his attending physician that he was living 4 miles SW of Ada. It is presumed that George Ross was living with Samuel and Nancy at the time of his death. However it must be noted that Nancy's mother, Mary Elvira (Bailey) Mullins, was living with Lindsey Carr Mullins in the 1900 census in the NE part

Notes for SAMUEL TATUM:

Samuel and Elizabeth testified, ca.1900, in an affidavit to the person of Mary Elvira Mullins. The affidavit was taken when Mary Elvira was applying for civil war veteran widow benefits. 16. SANFORD GIFFIN⁶ MULLINS (*GEORGE ROSS⁵, JOHN M. JR.⁴, JOHN M. SR.³, JOHN², THOMAS¹*)¹¹ was born 24 Sep 1845 in Cherokee Co. GA, and died 02 Apr 1907 in Pontotoc Co. OK. He married TRIPAN VELMA WEST¹² 26 Feb 1871 in Pickens Co. GA, daughter of BENJAMIN WEST and ELIZABETH WISE. She was born 23 Sep 1849 in Gilmer Co., Georgia, and died 05 Nov 1936 in Henryetta OK.

Notes for SANFORD GIFFIN MULLINS:

SANFORD was living in the household of his parents in the 1850 & 1860 census of Pickens County., Georgia. On 19 May 1862, at age 17, he was conscripted into Company "L", 43rd Georgia Infantry, Army of Tennessee, by a Capt. B. F. Hanie. He was wounded before July 1862 and sent home on sick furlough. On May 23, 1863, the remnants of Company "L" were transferred to Company "C" and Sanford was mistakenly shown as present. Sanford was listed as AWOL at the time of the first muster of Company "C" but his record was later corrected to read "at home at Jasper, Georgia on sick furlough". In 1870, Sanford was living in the household of his brother, Martin B. Mullins, in Pickens County, Georgia. In 1880, Sanford and Tripann were in Bosque

County, Texas and Sanford's mother and father were living in the household. Tripan's father was living nearby.

On 7 May 1881, for the sum of \$382.00, Sanford and George Ross purchased 113 acres on Hill Creek, in northern Bosque County, from a J. D. Wesson. This land was part of the original R. L. Stockton Texas land grant. Adjacent to this grant was another, in the name of a John West. It is fairly certain that this John West was a brother of Benjamin West who was Tripan's father. Adjoining the 113 acres purchased by Sanford and George was a track

owned by Willis West, which was originally part of the John West grant. On 25 Dec 1882, Sanford and George sold 63 of the above 113 acres to a John W. Kirby for \$650.00. Willis West emigrated to Texas prior to 1870, as he was in Pickens County, Georgia in the 1860 census, but in Texas in the 1870 census. Willis West was a younger brother of Benjamin West and John West. John West apparently emigrated to Texas before 1840 as indicated by the size of his land grant. The Stockton and West land grants were located about 3 miles west of the hamlet of Brazos Point and about one mile south of the Bosque County- Somervell County line in far northern Bosque County. This part of Bosque County has lots of limestone outcrops and clear, spring fed, gravel-bottom, streams.

Sanford has not been found in any census later than 1880. He died in 1907 in Pontotoc County, Oklahoma from a chest wound received during the civil war. A doctor said he could cure him of his wound and Sanford died a few weeks later. His granddaughter, Rhoda Ardina, said she remembered Sanford changing the dressing on his wound every day.

Sanford and Tripan migrated from Pickens County, Georgia to Bosque County, Texas about 1875-76 according to the birth dates and places of their children. They went to Oklahoma about 1887, making their stay in Texas about 10-12 years. They may have first lived around Marlow, Oklahoma as Frank Bethel was born in Marlow (as per his son, Jasper Bethel Mullins). They were living in Center, Oklahoma, about 8 miles west of Ada, at the

time that Jennie and Andrew Stephenson married in 1897. The date and place of death, and place of burial has come from family memory, and military pension records filed by Tripan in 1915. No record of his death or place of interment has been found in Oklahoma records. Site visits to likely burial spots in the Lula/Stonewall area have been made with no success. Sanford was apparently 1/8 Cherokee. His Great Grandfather, John M. Mullins (Sr.) married Nancy Ann Hubbard, reported to be a full blood Cherokee. An interesting side note is that during the Civil War, Sanford's father, brother, and two of his uncles joined a Union Army Guerrilla group (fall, 1863) operating in the North Georgia area. In the fall of 1864 they joined the 1st Georgia Infantry (USA) and spent the rest of the war

guarding the railroad lines running north out of Atlanta Georgia. This affiliation may have led to their later having to leave Georgia. It is felt that economic hardships brought about by the reconstruction period after the Civil War, and hatred by the returning Confederate soldiers, caused their departure from Georgia. In addition, most of their grandparents who had homesteaded in Georgia had died by the mid 1870's. Sanford probably was conscripted (forced) into the war, as this was common during this period. The Georgia Home Guard was notorious for ranging over the countryside, forcing young men into the army, taking cattle, crops, and anything else that would benefit their cause. This activity greatly angered the mountain people of north Georgia.

Notes for TRIPAN VELMA WEST:

TRIPAN was first found in 1850, age one year, living with her parents in Gilmer County, Georgia. Gilmer County is immediately north of Pickens County, which was first formed in 1853. Gilmer county was formed in 1832. There were many West families living in this area, all thought to be children or brothers of George West. Tripan was also at home with her parents in the 1860 and 1870 census of Pickens County. It is not known if their home location changed, or if this just reflected a change in county boundaries. Tripan was living in or near the town of Pittsburg, Georgia at the time of her marriage to Sanford.

In May 1915, Tripan (name shown as T. V. Mullins) applied for pension benefits in Pontotoc County, Oklahoma based on Sanford's military service. Tripan's grave at Bald Hill cemetery is marked with a tombstone showing her name as Trip Ann Mullins. She signed the marriage application of her son, Frank Bethel, as Mrs. T. A. Mullins. It is thought by some grandchildren that her given name was Tripan Velma. A photograph of Tripan exhibits considerable Indian characteristics. Some of her grandchildren say she may have been "Black Dutch". The term, Black Dutch, was a reference to dark skinned people from Holland who had originally emigrated to Holland from

Spain and Portugal with earlier ties to central Mediterranean and 'Moor' origins. The Moors invaded Spain and Portugal in the 8th century AD, with a group later moving to Holland to escape religious persecution. There were

many people in the South Carolina and Georgia areas said to be Black Dutch. Her daughter, Jennie, said on occasion that she (referring to herself) was part "chicken-craw" (Chickasaw). Whether Tripan was part Black Dutch,

Chickasaw, or Cherokee, is not really known. Tripan related a story late in her life of an incident that happened while she was a child living in the mountains of Georgia. One night, with the men gone, a panther (mountain lion) tried to reach through a crack of their log cabin to get a haunch of venison cooking on their stove. Her mother, Elizabeth, grabbed an axe and cut off the panther's foot. The next day, the men tracked the panther and found it dead. The children tried to iron out the skin from the foot and stretch it out. It was also told that Tripan, as a child, nursed from her mother till she was 6 years old.

Also, Rebecca Lee Lyttle related that Tripan liked to sing Irish 'ditties'. Rebecca said that Tripan told her that her 'kinfolks' had come from Cork County, Ireland. It is not known which side of her family might have come from Ireland, but according to census records, Benjamin West, and his father, George, were born in the United States.

Tripan's death was brought about by catching a cold while helping Andrew and Jennie pack to move to California. They were packing the household goods into their truck and the house was open all day without heat. Tripan died a week or two later in the household of her son, Frank Bethel, probably from pneumonia. Her death was just a few days after Andrew and Jennie arrived in California, and they were unable to return for the services. Frank

Bethel was living in Henryetta, Oklahoma at this time. Tripan lived with Frank Bethel, as that was where she received her civil war veteran pension checks which were mailed every 3 months. Tripan was living in Allen Township, Pontotoc County, Oklahoma in the 1910 census. Her name in this census is very difficult to read, and appears to be entered as "Critson", or "Wilson". On detailed examination, it appears like a feeble attempt by the census enumerator to spell "Tripan".

Notes for MARTIN BURTON MULLINS:

Martin was listed in the 1870 Georgia census. With him at that time was his son Carl B. and his daughter Edwina J. Also with him at that time was a William Corbin, age 7, and Giffin Mullins, age 25, Farm Laborer, born Georgia, with \$100 property (probably a horse). He was also found in Cherokee Co. GA in the 1880 census. This would mean that he did not move to Texas at the same time as his brother. He listed Center IT as home in an affidavit filed in 1899. He then was listed in the 1900 Chickasaw Nation Indian Territory census as living with his wife Thalica Ann, and two of their children, Joe and George. They were located in T4N, R7E, Pontotoc County, which corresponds to the township just east of Ada, Oklahoma. They were living in Asher, Oklahoma during the 1910 Pottawatomie County census. George B., their son, a daughter-in-law, Addie, age 16, and a grand-daughter, Josie, age 8 were with them. They were shown to have been married 43 years, with seven of their ten children still living, with Ann shown as having had a previous marriage

(previously married to Jack Corbin). George B. was in this same area during the 1920 census. Martin was on the roster of Company A (Union County, Georgia), 1st Georgia State Troops Volunteers during the Civil War (later Company B of Howards 1st Georgia U.S. Infantry. This unit consisted of men from extreme northern Georgia who fought for the Union during the war. Others in the same units were George R. Mullins, his father, and James P. Mullins and Green D. Mullins, George's brothers. Martin was discharged from service on 19 July 1865, along with the others. Considerable data on Martin was obtained from Civil War Veteran Benefit records, including the names of the seven children still living in 1899. One Veterans benefit affidavit was given by a S. Tatum and Elizabeth Tatum (his sister) on 30 Aug 1910. They were shown as living 4 1/2 miles SW of Ada OK. This affidavit said that Martin had also been in the 43rd GA Infantry, the same unit that his brother Sanford was in. George Ross Mullins was shown as living 4 miles SW of Ada at the

19. WILLIAM LUCKY⁷ MULLINS (*SANFORD GIFFIN⁶, GEORGE ROSS⁵, JOHN M. JR.⁴, JOHN M. SR.³, JOHN², THOMAS¹*)⁶ was born 07 Mar 1873 in Pickens Co., GA, and died 20 Nov 1917 in Santa Rosa, New Mexico. He married (1) EMMA TRIPP Abt. 1892 in Pontotoc Co. OK. She was born Abt. 1871 in Texas, and died Abt. 1904 in Pontotoc Co. OK. He married (2) SUDIE BELL MULLINS 25 Dec 1910 in Ada, Ok. She was born 14 Jul 1892, and died 25 Sep 1973 in Roseburg, OR.

Notes for WILLIAM LUCKY MULLINS:

William Lucky was listed in the 1880 Bosque County, Texas census living in the home of his parents, age 7, born Georgia. He owned land in Conway, Oklahoma in 1908, which was the site of an old trading post, of which no sign remained as early as 1936, located in the northwest quarter of Section 6, T3N, R8E, seven miles north of Stonewall, Pontotoc County, Oklahoma. William Lucky's first wife apparently was Emma Tripp. No records of this marriage have been found, but William, unmarried, was living next to a Sam Tripp at the time of the 1910 census of Pontotoc County. Emma apparently died giving birth to Ollie in 1904. William Lucky was shown to be living in Conway in 1910 at the time he and Sudie Mullins married. William Lucky relocated to the Santa Rosa, New Mexico area sometime prior to 1917. One of his children (reported as "Bill") was drafted into the Army during World War I. Two days after reporting to the post at Clovis, New Mexico, the Armistice was signed (11 Nov 1918) and he was sent home. Bill Mullins was living in Stockton, California in 1958, and was employed as a railroad policeman during the 1940's and possibly later. Bill was reportedly a very large man. William Lucky apparently had an illegitimate child, named

Sam, with an Indian woman while living in Pontotoc County. Descendants have said that William Lucky was quite a "rounder". He died of pneumonia, leaving an estate valued at \$30,000. According to Inez Merrill, Lester Carr Mullins died in 1918 shortly after enlistment in the U.S. Army, but did not serve overseas.

William Sanford married (1) Abigail Jane Harriet Elizabeth (?) and (2) Jennie Wise Mullins. This Jennie Mullins was a daughter of Lester Carr Mullins and was 1st cousin to William. She was named after her Aunt Jennie. Lester Carr died during the influenza epidemic of 1918. Ola Lucinda married Roger Alonzo Rollins on 1 Jan 1918 at Fort Sumner, DeBaca County, New Mexico. They had three children, Sylvia Lester Rollins (6 Nov 1918, Weatherford, Texas, married Frank Johnson Moore, Jr. on 22 Sep 1937 in Jayton, Texas), Harold Lucky Rollins (17 Jan 1920, Rule, Texas, married Ruby May Cantrell (divorcee) on 25 Jul 1938, Clearmont, Texas, died 10 Apr 1986, Cottonwood, California), and Inez Magalene Rollins (17 Jan 1921, Quitque, Texas, married Edgar Barton Merrill on 23 Aug 1942 at Springerville, Arizona). Inez and Edgar had seven children; Edgar Barton Merrill, Jr. (17 Jun 1943, Eagar, Arizona, died 16 Jun 1960), Sylvia Susan Merrill (28 Jul 1945, Eagar, Arizona, married Charles Albert Waite on 24 Jun 1964 at Mesa, Arizona), Mary Lou Merrill (23 Jul 1946, Eagar, Arizona, married Stephen Grover Udall on 28 Jul 1966 at Mesa, Arizona), Frederick Dee Merrill (18 Apr 1948, Springerville, Arizona, married Robyn Louise Bast on 5 Jun 1971 at Mesa, Arizona), Jerri Lee Merrill (1 Jan 1950, Springerville, Arizona, married Richard Lacy Greer on 25 Oct 1969 at St. Johns, Arizona), Vonna Inez Merrill (31 Jan 1953, St. Johns, Arizona, married John Darrald Cluff on 15 Dec 1973 at St. Johns, Arizona), and Roxie Ann Merrill (7 Dec 1958, McNary, Arizona, married Duane Ray Slade on 19 Jan 1979 at Eagar, Arizona).

Lindsey was listed as being born in April 1877 in that census. Also living with them at that time was their grandmother Mary Elvira Mullins, widow of George Ross Mullins, shown as being born 1818, age 81, born North Carolina, her father born in Virginia, and her mother born in South Carolina. Lindsey was living in Plainview, Texas in 1936. Jennie (his sister) and Andrew Stephenson visited him in Plainview while moving to California in 1936. William Clyde is reported to have lived for a time in Tulia, Texas, which is just north of Plainview in the Texas Panhandle. Lindsey was said to have been crosseyed, which was severe while he was a teenager, but was later corrected with glasses. Several of Lindsey's children are said to be still alive at this time, living in Texas. Inez Merrill's records shows that his name was "Lindzey".

21. ROSS BENJAMIN⁷ MULLINS (*SANFORD GIFFIN*⁶, *GEORGE ROSS*⁵, *JOHN M. JR.*⁴, *JOHN M. SR.*³, *JOHN*², *THOMAS*¹)¹⁸ was born 25 Apr 1877 in Bosque Co. TX, and died 24 Jan 1943 in Glendale, AZ. He married (1) MARY ? in Pontotoc Co. OK. He married (2) FRANCIS ARIZONA "FANNIE" SMITH 16 Jan 1906 in Lula / Pontotoc OK.

Notes for ROSS BENJAMIN MULLINS:

Ross Benjamin was listed in the 1880 Bosque County, Texas census living in the home of his parents, age 3, born Texas. He married (1) Mary, who, along with their first child, are thought to have died during childbirth. Ross and Mary were listed in the 1900 Chickasaw Nation, IT census, married "0" years. Mary was shown to be 20 years old and Ben was shown to be 22. There were no living children by Mary. He married (2) Francis Arizona "Fannie" Smith. They were living in Lula, Oklahoma in 1906 at the time of their marriage. They were shown to be living at Conway, Oklahoma in 1908 at the time of the birth of their son George Ross. Conway was the site of a trading post located in the northwest quarter of Section 6, T3N, R8E in Pontotoc County, which corresponds to approximately 7 miles north of Stonewall, Oklahoma. Ross Benjamin, "of Conway", was also listed in the State of Oklahoma 1908 Tax Lists as having owned land located in Section 6, T4N, R8E, School District 17, in Pontotoc County. This location is six miles north of Conway. Fannie was listed in the 1910 Pontotoc County census, Allen Township, living with Tripann Mullins, Ross Benjamin's mother, with her family status shown as "daughter", and her marital status shown as "Wd" (widow, erroneously). Ross Benjamin was not present, and his location at that time has not yet been established. William Lucky and his four children by his first wife were living nearby. 1910 census records indicate that they were living near Section 6, T3N, R8E, near the property owned by Ross Benjamin in 1908. According to Rebecca "Becky" Lee Lyttle, "Uncle Ben" and Fannie lived for a while near his brother Lindsey Carr Mullins in the Plainview, Texas area, and that Benjamin died somewhere in Texas. The information of Ross' children was also provided by Rebecca Lyttle.

Notes for MARY ?:

In the 1900 census, Ross was living in T7N, R7E. His wife in this census was shown to be a "Mary", born August 1879, in Texas. No children were shown in the 1900 census.

Father and mother were both born in Georgia, according to census records of Francis.

22. JENNIE WISE⁷ MULLINS (*SANFORD GIFFIN*⁶, *GEORGE ROSS*⁵, *JOHN M. JR.*⁴, *JOHN M. SR.*³, *JOHN*², *THOMAS*¹)¹⁹ was born 06 Mar 1881 in Bosque Co, TX, and died 04 Jan 1961 in Stanislaus, CA. She married ANDREW JACKSON STEPHENSON²⁰ 07 Aug 1897 in Center / Pontotoc Indian Terr., son of JOHN STEPHENSON and RHODA PEAY. He was born 06 May 1876 in Stephens Co, TX, and died 10 Nov 1940 in Tulare, California.

Notes for JENNIE WISE MULLINS:

Jennie was a small woman, and a very pleasant person to be around. She was a very hard worker and never shirked any job that needed to be done. She was deeply religious, and routinely gave a portion of her pension to the church, at least during her later years. It is thought she may have been partial to her grandchildren also! The family story was that she moved from Texas to Pontotoc County, Oklahoma when she was 6 years old. Jennie recalled also, that as a child of 10 or 11, she helped her father drive cattle from Texas to Ada, Oklahoma. She said that the cattle stampeded through main street of Ardmore, Oklahoma. While living at Lamar, Oklahoma, she got into a fight with a neighbor lady while hoeing cotton who accused her of "makin eyes" at her husband. The story was related by Ardina (Stephenson) who was there. Ardina said they went at it tooth and toenail and finally had to be separated. Ardina said Jennie was furious for days from being accused of this! During her later years, Jennie would visit each of her children for a week or so most every year. She really enjoyed working in the garden and tending the chickens during these visits. She would not quit, regardless of how hot it got, and she was in her 70's! One 'story' that can tell a lot about the character of Jennie happened when Jennie and Andrew were living south of Lamar OK in Hughes Co. OK. Andrew was to go to a community meeting that was for men only. Jennie was quite angry that she couldn't go so she dressed up as a man, with a fake mustache and a mans hat, and slipped in the back door of the meeting. The purpose of the meeting has been lost to the ages. This story was told to this writer by Ardena, Jennie's daughter, and confirmed by her sisters, Suda and Dorothy. This writer remembers Grandmother Jennie well and loved her dearly!

Jennie died in Stanislaus CA, but was a resident of Tullock according to death certificate

Notes for ANDREW JACKSON STEPHENSON:

Andrew was in the 1880 census of Stephens County, Texas living in the household of John and Rhoda Lee Stephenson. He was shown as age 4 and born in Texas. Three other children in this census were Robert, 11, Jimima, 8, and Jane, 6, all born in Kentucky. In the 1900 Chickasaw Nation IT census, he and Jennie were living in T4N, R7E, Pontotoc County, IT, which would be in the township north of Lula and east of Ada, OK. In 1910, they were living 1/2 mile south of Shady Grove School, approximately 6 miles south of Lamar, Hughes County, Oklahoma. During the first 2 or 3 years after marriage, Jennie and Andrew lived in tents and wagons while share cropping and picking crops. They moved about 1919 to the "Pippin Place" south and west of Henryetta where Lonnie "Shad" was born. They then moved to a house at 17th and Broadway in Henryetta where they ran a dairy, and Dollie was born (on the front porch). They were there during the 1920 census. The house and barn were still there in 1993. Bessie had married before they moved to Henryetta, so was not with them at that time. Ardina (Stephenson) and Iva Liles were with them during the 1920 census, but did not live there. About 1922, they moved to a dairy on 9th Street Hill north of Henryetta. They lost the dairy in 1936 due to bank foreclosure and left for California on Sunday, October 11th of that year. While dairying, Andrew raised and milked Jersey cows and had a prize winning Jersey bull. He was a Church of God Minister, but it is not known if he was ordained.

Andrew told some of his children that he was an orphan. Rhoda Lee (Peay) Stephenson was living with Robert Lydel in the 1900 census. In this census, Rhoda listed that she had had one child and that the child was still living. This child undoubtedly was Robert. No data, other than the 1880 census, has been found on Jane and Jemima. It is known that Jane married a "Charlie", and that they lived in Ada, OK for many years, but no last name is known. It has not yet been proven (or disproven) that Andrew was the child of John and Rhoda Stephenson. The 1880 census record listed him as "son", so for now we'll have to take that at face value.

After moving to California in 1936, the Stephensons earned a meager living picking crops and vegetables through CA, Utah, and Idaho. Andrew got progressively more ill and was unable to do much in his later years. His son, Albert, now thinks that Andrew suffered from Lukemia. Note - CA death records says he was born in Kentucky. This is unlikely in that land records

23. JAMES MILLER⁷ MULLINS (*SANFORD GIFFIN⁶, GEORGE ROSS⁵, JOHN M. JR.⁴, JOHN M. SR.³, JOHN², THOMAS¹*)²¹ was born 21 Aug 1884 in Bosque Co., TX, and died 13 Nov 1951 in French Camp, Calif.. He married EURA IRENE DANIELS 04 Jul 1906 in Lula OK. She was born Abt. 1890 in Texas.

Notes for JAMES MILLER MULLINS:

James and Eura were shown in the 1910 Chickasaw Nation, IT census as living in Conway, Oklahoma, the site of a trading post in the northwest quarter of Section 6, T3N, R8E, seven miles north of Stonewall, Pontotoc County, Oklahoma. No sign of Conway could be found as early as 1936. They were listed in the 1920 Pontotoc County census as living in Allen Township, which would be midway between Allen and Lula, Oklahoma. Their first four children were with them at that time. James and Eura moved to California about 1942. Shirley Garcia lived close to them for many years in California. Records found at the Pontotoc County Historical Society show the marriage date as 28 Jun 1906. It showed Jim as living at Lula, and Eura as living at Colgate. Data supplied by Betty Lotz show date of marriage as 04 Jul 1906. The 28 Jun date probably reflects date of application for their marriage license, with the actual ceremony being on 04 Jul 1906.

James' obituary appeared in the 15 Nov 1951 issue of the Oakdale newspaper. "Funeral services for James Miller Mullins, 67, who died in a French Camp hospital tuesday after a long illness, will be conducted Saturday at 2 PM at Pascoe's Mortuary here. Mullins, a native of Texas, was the husband of Eura Mullins of Thornton; father of Marvin Mullins of Murphy and Mrs. Thelma Brown of Oklahoma, and brother of Mrs. Lou Gassaway of Elk Grove, Mrs. Jennie Stephenson of Patterson and Bethel Mullins of Oklahoma. Also surviving are six grand-children, including Mrs. Shirley Garcia, of Oakdale, and two great-grandchildren. Rev. Norman Black of the Calvary Baptist Church will conduct last rites. Interment will be in the Citizens Cemetery."

James died in San Joaquin CA according to death certificate.

He married (1) DOLLIE ETHEL GRIFFIN. He married (2) OVA LOUELLA FLOWERS 19 Mar 1911 in Owl Creek School Pontotoc Co. OK, daughter of JASPER FLOWERS and MARY ?. She was born 22 Mar 1896 in Houston, Texas County, MO, and died 03 Jun 1928 in Henryetta OK.

Notes for FRANK BETHEL MULLINS:

"Bethel" as he was known, was said to have been born in Marlow, Indian Territory, by his son Jasper Bethel "J.B." Mullins. This leads to speculation that Sanford Giffin and family spent some time in Marlow. However, no record of any such stay has been found to date. Bethel was living in Conway, Oklahoma at the time of his marriage to Ova Louella. Conway was the site of a trading post of which no sign remained as early as 1936, and was located in the northwest quarter of Section 6, T3N, R8E, seven miles north of Stonewall, Pontotoc County, Oklahoma. Bethel drove a "Bersler Brothers" wholesale grocery truck for many years in the Okmulgee County area and would occasionally drop in to visit his relatives while making his rounds.. Bethel's 2nd wife was "Dollie Ethel Griffin". It is not known if she was previously married.

Notes for VALLIE ANDREW STEPHENSON:

Vallie was listed in the 1910 Oklahoma census, Hughes County, living with his parents Andrew and Jennie Stephenson, age 5, born Oklahoma. Vallie, unfortunately, fell into a life of drug and alcohol addiction which led to his being in and out of many prisons. There were many opium dens in the town of Henryetta during his childhood, and drugs (then not illegal) were readily available. Henryetta was primarily a coal mining town at that time, and was a very rough place to be for an impressionable teenager. It is thought that Vallie died in prison in California. His father, Andrew, spent several lifetimes trying to help Vallie, but to no avail.

Update, 11/14/2003. According to Suda, Vallie's sister, Vallie died in an abandoned car body and apparently had been beaten to death. SS = 447-10-4228

Mom was a star student in school, ending with her being the Salutatorian of her

graduating class at Wilson high School in 1930. She was an avid basketball player, and with her sister Beulah, helped win many tournaments for the girls. She was 'nanny' to most of her younger brothers and sisters; a chore she apparently didn't mind. She spent a lot of time playing 'go-sheep-go' and 'anti-over' with this home grown bunch of playmates. An ardent genealogist, she is always ready to chase through a cemetery trying to track down ancestors. She married (2) J. D. Conway, and (3) Marshall Grayson who died in 1991. At age 84, she is still able to drive long distances (which causes no end of concern to myself and Carol) and manages to walk her 'mile-a-day'.

Suda is living in Lake Havasu City AZ in 2000 with Carol and Hank. She fell and broke her wrist in June 1999. She has now recovered and is back to driving again (at age 87).

Mom stayed with us last summer (2003) in the new addition I built for her. She will probably come back this summer. She is down to 1/2 mile a day of walking now.

Occupation: Housewife

Notes for JEFF TAYLOR:

Suda and Jeff established their first household in a small house built by Jeff and his father on the Taylor homestead near Bald Knob and Wilson Oklahoma, in Okmulgee County. They later moved down the road a piece to a house that they rented from Jeff's brother, Lowell. There they farmed, raised stock, gardened, and did pretty well though it was in the depths of the depression. Their break came with a knock on the door and with an 'Oil Man' looking for someone to pump oil leases. Suda ran down to the fields to get Jeff who eagerly accepted the 'steady' work. About 1937, they moved to the Gypsy Hill area, where Jeff continued to pump leases and expand his farming efforts. With the money accumulated by working as a pumper and farming (and with Suda's ability to save money), they were able to scrape up enough to rent a grade "A" dairy (the old George James place) in 1942 about 8 miles west of Okmulgee on Highway 56. In 1947, they bought a place 2 miles further west (Pike's Peak Hill) and started their own dairy. Jeff's first chore there was to build a dairy barn and to expand the house and put in indoor plumbing. They quit dairying in 1957 and turned solely to ranching and stock trading (the four-legged kind). Jeff retired from ranching about 1965 when he realized what the ranch was worth. They then bought a house and 30 acres from their old friend, Doc Pilgrim, on the north edge of the city limits of Okmulgee. Jeff came out of 'retirement' a little later as a carpenter and traveled extensively building forms for retainer dams. During this period, Jeff and Suda acquired many rent houses in Okmulgee. Suda sold their last place to the county after Jeff died and it is now used as the

Okmulgee County Fairgrounds.

The seven Taylor boys must have been quite a sight! Many stories were heard of their youth, none of which can be remembered now. Like most brothers, they were pretty rambunctious towards each other, but stuck together when some one else got involved. It was told that NO ONE messed with them, else they would have the whole passel to deal with! They each were crack shots with a 'N---- shooter' as they couldn't afford bullets to shoot squirrels. It was told that they ate lots of squirrel. The Taylor's won an automobile at the Henryetta fair in 1930 which Jeff used to 'court' Suda (so she said). One photo shows him grinning ear-to-ear while setting in the open sided roadster in front of the Stephenson place. Jeff was a basketball player in high school and captain of his team when they won many tournaments.

Jeff was very proud of completing the Master Masonic rites during his later years. He served as a school board member for many years at Rocky Hill School. He founded the Nuyaka fire brigade, that is still in existence in 2005. Jeff was active in every community in which he lived.

He was born 10 Oct 1910 in Hasty, Arkansas.

Notes for BEULAH BEATRICE STEPHENSON:

Beulah was born at Lamar, Oklahoma approximately 1/2 mile south of Shady Grove School, which was approximately 6 miles south of the town of Lamar. The family has a picture of the house at Lamar taken about 1917, showing storm damage that occurred to the house during one of the typically dangerous "Oklahoma Twisters". She always said that she met Earl at Wilson School, Okmulgee County, Oklahoma during a basketball game, by tripping him. She graduated from Wilson High School. Always a hard worker, she could always be found in the middle of any work that was ongoing on the farm. She died from a stroke

Earl was born in Hasty, Arkansas, and attended Grade School at Western Grove, Arkansas. He migrated with his parents to Okmulgee County, Oklahoma, where he graduated from Morris High School, and where he played basketball. He operated a Grade "A" dairy near Prairie Bell School, Okmulgee County, Oklahoma, until December 1971, when he and Beulah retired and moved to Okmulgee, Oklahoma. After Beulah died in 1978, he married (2) Thelma Montney (not maiden name) and (3) Bertha Goodman (not maiden name). He and Bertha were at 1512 North Taft, Okmulgee, Oklahoma 74447 in 1994. Earl always enjoys telling stories about his early years in Arkansas, where he helped his father operate a farm at Hasty. He always swears he planted corn in land so poor he had to carry dirt to cover the seed corn so it could grow. After seeing the land, the story can be believed. Hasty, Arkansas was called "Agee" before the turn of the century after the early settlers in the area. In later years, it was renamed "Hasty" because so many folks were "hasty" in settling there.

Notes for OSCAR (DOC) STEPHENSON:

Doc was listed in the 1920 Oklahoma census, Okmulgee County, age 1 yr, 8 month, living with his parents Jennie and Andrew Stephenson at 17th and Broadway, Henryetta, Oklahoma. He was an avid outdoorsman, hunter, and fisherman. There were many occasions when Doc, Vollie, Earl Agee, Hank Carnell, Jeff Taylor, and myself went quail hunting on our place west of Okmulgee. On one occasion, we discovered about 2 dozen mallard ducks on one of the ponds. After a brief parlay, everyone spread out and snuck up behind the pond dam. After the guns were emptied, only 3 ducks had gotten away. Jeff gave all his ducks to Doc (but not the quail). One time, Doc and someone (can't remember who) shot a large Sand Hill crane. Doc cut off the neck, legs, and wings and brought it in to our house where the ladies were getting ready to prepare Thanksgiving dinner. Doc told them that it was a goose. He relented, though, and told them before they got it in the oven (but after it was cleaned and dressed). The ladies were pretty steamed over that!

Doc and Leatres owned a grocery store for many years outside Sperry, Oklahoma. Suda related that Doc died after catching a cold or pneumonia from sleeping on the floor of the store one night. There had been several break in's, and Doc was trying to catch them in the act. No doubt he had his shotgun loaded.

Doc went to California in 1936 with his parents. He and Leatres returned to Oklahoma in the later part of 1942 and both got jobs at the Douglas aircraft plant in Tulsa.
